Setting Up a Google Account on Android Smartphones

Get access to the Android Market for thousands of Apps right at your fingertips!

Step 1

Click the **Android Market** icon on your phone's menu to get started

Step 2

Click **"Next"** to begin the Google Account Setup

Step 3

Choose **"Create"** if you don't have a Google (Gmail) Account
- Otherwise choose **"Sign In"**

Step 4

Now simply choose a **username** that will become your new **Gmail address**
- "username@gmail.com"

Step 5

Now choose an **easy-to-remember password,** then continue to Sign In

Step 6

Once your username and password are confirmed, continue to access the **Android Market**
