

htc one®

Everything your phone isn't

The all-new HTC One® has over 300 new features, including a completely new live home screen, a first-of-its-kind living photo gallery, and dual frontal stereo speakers—all in a beautifully crafted, full aluminum metal body with zero gap construction.

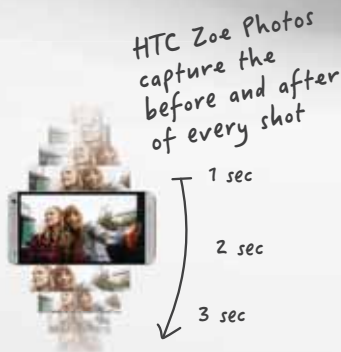

Just swipe down to refresh feeds

htc Zoe™ Your gallery brought to life

The new HTC Zoe™ camera captures 20 photos and a three-second mini-clip. Watch your HTC Zoe Photos come to life with motion and sound in the living gallery.

- Video Highlights automatically creates instant cinematic movies.
- HTC Zoe special effects include Sequence Shot, Object Removal, Group Retouch, and Face Retouch tool.
- All new HTC UltraPixel sensor captures 300% more light than average smartphone cameras so your low-light photos are crisp and vivid, even without a flash.

htc BlinkFeed™ Live home screen

Get all your favorite content streamed live to your home screen. Build your own HTC BlinkFeed™ with content from different categories, like social networks, news and lifestyle channels, apps, and more. It's constantly refreshed live, so you stay up to date at a glance.

Everything your phone isn't

htc BoomSound™ Dual frontal stereo speakers

With exclusive built-in amps powering your dual frontal stereo speakers and headphones, the HTC One delivers a rich and detailed audio experience for you and your friends.

- Transfer your music quickly and easily via HTC Sync Manager.
- Get crystal-clear voice calls with Sense Voice.
- Record realistic high-resolution sound with HDR recording, and play it back exactly as you remember.

HTC One Flip Case for watching movies at the perfect angle*

htc Sense TV™ Interactive TV guide

With a built-in infrared transmitter, universal remote, and visual TV program guide, the HTC One is at the center of your living room entertainment experience. Select your favorite shows from your TV or set-top box, and control it all from your HTC One**.
