

LG SABER™

MORE THAN A PHONE, IT'S A SLEEK MESSAGING MACHINE.

AUDIENCE

Between cellphone and smartphone is the elegant new LG Saber™ —the stylish messaging tool for those who want rich functionality without going overboard. They're looking for a phone that is easy to master so there's no wasted time with gadget overload. For mobile phone users in search of real value, LG Saber delivers without compromise.

ATTRIBUTES

Stay in the loop with your circle of family and friends with the LG Saber. Its full QWERTY keyboard never leaves you at a loss for words no matter how much you have to say. And for the moments that are indescribable, count on its VGA camera to paint the whole picture. Record your voice and attach a photo to add a personal touch. Print your pics and share your contact info wirelessly, too. And all the while, know that Saber looks like a million bucks just sitting in your hand.

ADVANTAGES

KEYBOARD COMFORT FOR QUICK TEXTING

The compact full QWERTY keyboard keeps your thumbs in sync with your thoughts.

DITCH THE CORD WITH BLUETOOTH 2.1 + EDR

This upgraded connectivity offers simple device pairing with enhanced data rates so you can send contacts wirelessly and print images directly to a Bluetooth printer.

NARRATE YOUR PICTURE SHARING

In addition to sending texts, you can record your voice and attach a picture for added commentary.

INSTANT VIP ACCESS

Connect to your favorites in a snap just by pressing up on the Directional Key. Store up to 10 contacts or groups.

FUN AND GAMES

Download apps, play games, and fill your phone with fun extras thanks to easy edgeSM capabilities.†

STAY WEB AWARE

Be Internet informed when you're out and about with Saber's mobile web browsing.
