THE NEXT BIG THING IS HERE™

Samsung GALAXY S5®

Introducing the
Samsung Galaxy S® 5 –
a stunning, innovative new
smartphone experience that
truly impacts your everyday life.

Big, Bold 5.1" HD Display

Our best display technology shines on the Galaxy S® 5, delivering a clearly better HD experience. Full HD 1080p clarity, richer colors and faster response times breathe life into everything you watch.

16 Megapixel Camera With Fast Autofocus

The camera on the Galaxy S® 5 snaps photos in a split-second so you don't miss any of the action. Professional photography features and the all-new Studio editing suite let you enhance, tweak and even collage your favorite shots.

Try It Out – Use the Selective Focus Feature

- Launch Camera
- Touch the **Selective Focus** icon (two silhouettes next to each other)
- Hold the camera steady and take your picture
- Touch the photo thumbnail
- Touch the **Edit** icon (two silhouettes next to each other with a pencil)
- Select **Near, Far** or **Pan Focus** effect
- Touch **Done** to save your edited photo

S Health™

S Health* is the workout partner that helps you track your steps, map out exercises, set fitness goals, challenge your friends and earn progress medals. It's the wellness center you can always keep by your side.

Durable Design

The Galaxy S® 5 is built to handle your busy life. It is both dust- and water-resistant†, so it can keep up with you no matter where you go. So a little dust, dirt or rain won't keep you from staying connected.

Heart Rate Monitor

The Galaxy S® 5 comes equipped with a never-before-seen built-in heart rate sensor. This first-of-its-kind integrated health tool responds to your touch and measures your heart rate using S Health.™

Try It Out – Measure Your Heart Rate

- Launch S Health
- Touch the **Heart Rate** icon
- Place your finger on the sensor at the back of the device

After a few seconds, you'll see your heart rate along with any previous readings you've taken.

Milk Music™

With more than 200 ad-free stations at your fingertips, you can listen instantly to your favorite artists, hear the hottest hits and discover new genres you might enjoy with a simple spin. You can also create and fine-tune stations in real time to make Milk Music your own. It's all the music you love, all in one place.
