## Tips

### Automatically Saving Photos to an Optional microSD™ Memory Card

Users can set the phone to save pictures to the phone's memory or automatically save them to an optional microSD memory card. To set the phone to save to the memory card, touch the Camera key on the side of the phone, and then **Options > Tools icon > Memory > Card**.

### Customizing the Navigation Key

The up, left and right Navigation keys can be customized.

To set these shortcuts:

1. Go to **Menu > Settings > Phone Settings > Shortcut Key**.
2. Select either **Up, Right** or **Left**.
3. Choose the shortcut to be associated with the key. Options include Bluetooth, Music Player, Messages, My Images, My Ringtones, Inbox, Tools, Calculator, Tip Calculator, Converter, Calendar, Alarm Clock, and Stop Watch.
4. Select **OK** to confirm the choice. Repeat for the right and left keys.

## Why Samsung?

### About Samsung Telecommunications America

Samsung Telecommunications America, LLC, a Dallas-based subsidiary of Samsung Electronics Co., Ltd., researches, develops and markets wireless handsets and telecommunications products throughout North America. For more information, please visit [www.samsungwireless.com](http://www.samsungwireless.com).

### About Samsung Electronics Co., Ltd.

Samsung Electronics Co., Ltd. is a global leader in semiconductor, telecommunication, digital media and digital convergence technologies with 2009 consolidated sales of US \$116.8 billion. Employing approximately 188,000 people in 185 offices across 65 countries, the company consists of eight independently operated business units: Visual Display, Mobile Communications, Telecommunication Systems, Digital Appliances, IT Solutions, Digital Imaging, Semiconductor and LCD. Recognized as one of the fastest growing global brands, Samsung Electronics is a leading producer of digital TVs, memory chips, mobile phones and TFT-LCDs. ## Demonstrate

### How do I take a picture?

To Take a Picture:

1. In **Standby** mode, press the **Camera** key on the right side of the phone.
  2. Using the display as a viewfinder, point the camera lens at your subject.
  3. To take a photo, press the **Camera** key or **Center Select** key.
- To erase the photo, press the **Right** soft key.
  - To send the photo as part of a picture message, press the **Center Select** key.
  - To save the picture to memory, press the **Left** soft key.

### How do I upload pictures to social sites?

To Upload Pictures to Social Sites:

1. In Standby mode, press **Messages**, then select **Social Networking**.
2. Choose **Facebook** or **MySpace**, then **Upload Picture**.
3. Select a picture, then press **OK**.
4. Enter a personalized upload email address and subject line, then press **Share**.

### How do I access the music player?

To Access Your Music Player:

1. From the Home screen, select **Menu > Multimedia**.
2. Select **Music Player**, then press **Library** to access your music files.

### How do I send a text message?

To Send a Text Message:

1. In **Standby** mode, press **Messages**, then select **Send Message > Text Message**.
2. Enter the phone number or email address of the recipient, then press the **Center Select** key.
3. Enter the text content of your message using the keyboard.
4. Press **Options** to complete the message text and set message send options.
5. Once you're finished entering the message and setting send options, press **Send**.
